

REMARKS

In response to the follow-up restriction requirement, applicant has added claims 35-37 to replace prior claims 24-34. The claims do not pose any new matter issues and have been added to provide a generic claim which reads upon the species of Figure 1. Applicant retains the right to have the species, which were covered in Figures 5, 8 and 13 inserted back into the application upon the indication of allowable subject matter.

If any fees are due or owing regarding the claims and election, please charge Deposit Account No. 08-2455 the deficiency.

If any questions remain concerning the response which has been timely filed, please do not hesitate to contact the undersigned.

Respectfully submitted,

Christopher J. McDonald
